First West of England March 2018

General News items

During the Easter holiday most Rail lines around Bristol are having the signalling upgraded meaning no trains running, Temple Meads is closed services are running to Bath/Weston & Bristol Parkway services from these into Bristol are replaced by Buses with quite a variety of vehicles being used.

69500 is just one of many vehicles used on rail replacement services this Easter
this is showing the new livery being introduced for Wiltshire routes D1,D2 & D3 into Bath from the end of April.
Thanks Allan.

The Former Airport RLE,s will be coming back in a Bronze/cream livery and going to Westbury to replace Streetlites and used on renumbered Wiltshire routes D1 (265) D2 (267) & D3 (271/2) from April.
The first 1 is now arrived in Bath its been upseated to B43F after losing its luggage racks.

Good new for Weston is another route starting towards the end of April when Route 1 Weston to Sand Bay will start to cover the lose of Crosville,s service 100 as Crosville are pulling out of local bus work.

32012 has appeared in Weston Coaster livery and is now Open Top the same as 32001/2.

1st couple of days of spring and it snowed heavily across most of the country especially the South West causing all FwoE services to be cancelled for the day.

A selection of LH & MH buses having a day off in Lawrence Hill Depot.

Allocation Notes

On extended loan 33389 & 35005.

All the CT Plus Plaxton Volvo,s have now been withdrawn and look like they may be going back to Dawsons soon.

Allocation Notes

As from January next year I will be combining the LH & MH allocation lists as it makes more sense as there is no physical difference between allocations these days apart from any branded vehicles any bus can appear on any route.

32332 LH - WM

69509 is now backin Bath after accident repairs (Falling tree taking out front end)

Livery Matters

32332/9 into Badgerline livery.

37340 has lost its Hitd Radio advert.53806 has been repainted into Bath City Blue.
