### General News items

More details too follow 2 or 3 Enviro 300s have arrived from First Midlands.

Transbus Enviro 67604 is in use at Hengrove also there is Alexander Dennis Enviro 67632 while in use at Bath is 67633 these were going to Wells but looks like they will ed up in Bath.

Also here are 2 B9s from Weymouth 37585/6 are both in Bath.

First WoE were expecting to get 23 buses from Leeds onec Leeds got their next batch of Stretdecks but now with the collapse of Wright Bus this is now doubtful Wright had finished 30 of the next batch wich are ready to be delivered and a further 20 were in build so whether any of this get released by the administrators is anybodies guess at the moment but it does mean we are still short of vehicles.

Arrivals from First Glasgow & Scotland East and heading to Hengrove are.

They have started to be seen around Bristol the first batch 39481-92 are going to Parson St (CT Plus first until the fuelling station is ready at LH) buses with green Metro fronts one in Orange and 1 in normal Scania livery (36814-24 style have been seen)

Several new Vehicles have arrived in an all over red livery 39402/4 for starters.

Also the new numbers for the Scania,s will have several numbers missing as these have been issued by First before.

So the batch is 39402-72 and 39481-92 but minus 39405/28/42/67 & 39486/90 which then equals 77 vehicles due.

2 more Nottingham buses have also appeared recently,

36079	YT09YHW	LH	Sca	N270UD	EL	H51/35F
36080	YN08MSO	LH	Sca	N270UD	EL	H51/37F

More loaned buses here are Blue painted B7s

Just arrived 33839 from Manchester.

Also here is another Q buster bus though it hasn't been used in service.

32240	LR52B0F	u	Vo	B7TL		Pn	H39/20D
-------	---------	---	----	------	--	----	---------

A BMC school bus has been on loan from Cornwall for several months but I've only recently seen it out 68567 has spent most of its time in Bath.

68567 on loan to the Training School.

The Latest group fleet list shows Scania,s 36073/4 as being disposed of also shown is the missing bus 36078 (ex Not 971 YT09YHL) this is also shown as disposed, I don't think this ever made it to Bristol a flickr search shows this as a overall Blue advert.

36070 has never been used since it arrived as its been dumped in the same spot at Lawrence Hill.

Several Q buster buses have now gone back the only Nottingham buses here are 36070/5/9/80, the Enviro 300s have gone from Lawrence Hill and been told that most of the Hengrove buses have also gone back.

63070-2 are now in Leicester and the only Streetlite Max left here is 63075. 63073/4/6-8 are either parked up somewhere or have gone north as well.

63075 is the Only Streetlite Max still here the rest are in Leicester also still here is the last Nottingham bus 36080.

### Allocation Notes

10037 BH - u

35163 WS - HE this is the last StreetDeck to leave Wells.

36823 & 37615 have both been in use at Hengrove recently.

44907 BH - HE (for 24A)

53814 BH - Believed to be heading South West.

53816 BH - HE

63068-72/6-8 HE/LH - Leicester

66885 BH - WM

### Livery Matters

33662 is now in Mendip Explorer leaving 33661 as the last in 91/2 orange.

37335 has lost its Bristol Care Homes advert and gained The Crown ad the same as 37336.

37335 now carries The Crown Ad.

Other changes recently 37355 now has Bristol Care homes  
and 37591 carries The Wave Adverts.
